## BREAKING THE CODE OF SILENCE!

*Pinky Promise* is about one of the most sensitive topics that so often goes without thorough discussion, Child Sexual Abuse.

This book was written to assist you with starting the conversation in a way that encourages the child's comfort with disclosing secrets.

*Pinky Promise* provides narrative and illustrations of realistic scenarios, and demonstrates how some unfortunate behaviors, to which children and adults are often oblivious, can serve as warning signals of abuse.

This book is not a fairytale, rather it is an educational tool with the primary focus of forging of an agreement between child and a responsible adult that will reassure the promise of your protection.
